## **Chairman's Message**

*We had a dream. A dream of making Road construction machineries that would touch and transform the lives of our customers by giving them the best quality, Low costs, user friendly equipment, reliable machine that would be a joy to work with. Machines that would enhance the contractors efficiency at work, enable them to complete their projects ahead of schedule with better quality of roads.*

*In a scenario where the customer has many choices, our vision is to offer the highest quality at a reasonable price, to meet our customer's expectations, and to exceed them. Behind the success of SUMIT HI TECH, is a saga of team-work. We would like to acknowledge the role played by our more than 30+ years Experienced Engineers and employees and most importantly our CUSTOMERS because of whom we exist.*

*In the new millennium, we stand committed to innovation and our assurance to bring highest quality and latest road construction machines and Best possible Service to this industry.*

**- S.K Verma**
